I started all the rumors and false reports, just to get you to re-surface on social media and be our friend again. :(

I've said everything I have to say and have no legitimate voice to say or do anything further. People have a right to know that the rumors being spread about their personal info are false, but I have nothing left to add.

God bless and take care.

I called an emergency meeting of the Antiquated Buffoons (it took awhile for the pigeons to reach our alumni); it was unanimously decided this post of yours constitutes a victory for the Society as there is no longer anyone standing between us and total victory.

Would you know if someone else did it?

Yes. I would know. And I do know it's not so.
